Axel Products, Inc. reserves the right to cancel a scheduled training course if the minimum class size is not met. In the event of a cancellation, Axel Products, Inc. will make every attempt to notify registered participants within five working days. Payment made for a cancelled course will be refunded in full or applied to another scheduled training course.

Participant cancellations must be received at least 10 working days in advance. Registrations cancelled by participants less than 10 working days before the training course begins are subject to a 50% cancellation charge. For cancellations occurring on the first day of a scheduled training course, and for "no shows," the full tuition fee is non-refundable.
